Research Lead Contact: **Dr. Mark J. W. Lee** malee@csu.edu.au

- **Aims to support research and evaluation efforts that:**
  a) Facilitate evidence-based and data-informed practice in learning spaces
  b) Leverage FLEXspace capabilities & contribute to its ongoing development

- **Current research focus areas:**
  1. **Stakeholder criteria for evaluating learning spaces** *(Kevin McDonough)*
  2. **Usage/applications of FLEXspace and the Learning Space Rating System** *(Coordinator: TBA)*
  3. **Learning space design patterns and analytics** *(Mark J. W. Lee)*
  4. **Virtual and hybrid-flexible (HyFlex) learning spaces** *(Brian Beatty)*
